

# 2017 International Conference on Biomacromolecules and Biomimetic Materials

Boracay, Philippine March 6-12, 2017

<http://www.icbbm.org/>

## CFP

Self-assembly of biomacromolecules and peptides  
Fibrous and filamentous biomolecules  
Biomimetic and bioinspired nanocomposites  
Biomacromolecules-cell interactions

## Date

Conference: Mar.6-7, 2017  
Tour: Mar.8, 2017  
Tutorial: Mar.9-12, 2017

## Conference Highlights

1. Eight **keynote speeches** will be delivered by distinguished scholars from **Switzerland, France, Israel, Turkey, UK, Netherlands, and Singapore.**

Prof. Raffaele  
Mezzenga, ETH  
Zurich, Switzerland

Prof. Sebastien  
Lecommandoux, University  
of Bordeaux, France

Prof. Ehud Gazit, Tel  
Aviv University, Israel

Prof. Ozge Akbulut,  
Sabanci University, Turkey

Prof. Tuomas  
Knowles, University  
of Cambridge, UK

Prof. Francesco Stellacci,  
EPFL,  
Lausanne, Switzerland

dr. RJ (Renko) de  
Vries, Wageningen  
University, Nederland

Ali Miserez, NTU,  
Singapore

2. ICBBM 2017 gets the **technical support** of scholars from Israel, France, Switzerland, Singapore, Turkey, Australia, USA, Sweden, Japan, Malaysia, Philippines, China, Canada, etc.

3. The conference will last six days, including a **tour of Boracay** on **March 8, 2016** and a tutorial during **March 9-12** to enrich the conference.
