

2021 3rd International Conference

on Biomacromolecules and Biomimetic Materials

Co-sponsored by

Technical supported by

Proceedings

Materials Science Forum

(ISSN print 0255-5476 / ISSN web 1662-9752)

Indexed by Ei Compendex, Scopus

Past Proceedings

ICBBM 2020: Vol. 1009, Materials Science Forum

ISBN: 978-3-0357-1688-7

Committees

Conference Chair

Takashige Omatsu, Chiba University, Japan

Program Chairs

Hongqi Sun, Edith Cowan University, Australia

Cheng Chen, Shanghai Polytechnic University, China

Topics

Self-assembly of biomacromolecules and peptides

Fibrous and filamentous biomolecules

Biomimetic and bioinspired nanocomposites

Biomacromolecules-cell interactions

Emerging applications

For more topics, please kindly check: <http://www.icbbm.org/cfp.html>

Submission Method

Submit your paper/abstract through:
